## DIARY DATES: AIHC AND MUSIC IN HOSPITALS TRAINING EVENING

Members please keep free the evening of **18th April** for an important event. 6.30pm to 8.30pm we are to be joined by professional touring musicians from UK's charity 'Music in Hospitals' for a training session.

In collaboration with Arts in Healthcare Trust of Jersey, we are offering this workshop for our volunteer singers and our professional musicians to train and explore some more detailed work around music in healthcare settings, including working in more challenging settings.

The musicians will be in Jersey touring until 27th April and we will be invited to shadow the as individuals or small groups, to learn, and there will be a second event at the end of their tour... more info on this coming soon!

**We enjoyed a fabulous guided walk and sing to seymour tower with Lou wagstaffe.**

**Government House and the Kindness Festival (We had the best branded cakes!)**

'Parkies continue to give it their all and we are delighted that we are going to be joining them to sing at their Christmas Lunch next week!

Huge thanks to our splendid team, Sarah Lock and Trish Williams, speech and language therapists, Terri O'Donoghue our pianist, Janine and Marion, committee members who keep the show on the road, and local superwoman Katie Porter, mother of too many to count, but still has time to come and join us on a Friday afternoon! DREAM TEAM! Also thanks to the members and participants who come every week to sing with us!

## CARE HOME VISITS

Particular thanks to volunteer Claire Parslow, who has been running this particular show seamlessly for us this year.

What a wonderful thing. Thank you, and here we wish you all a Merry Christmas. Friends, members and volunteers, and of course, the Board of Governors.

Have a wonderful, peaceful, fabulous Christmas.

# JOINING US: EASY-PEASY!

Just email [info@aureolechoir.co.uk](mailto:info@aureolechoir.co.uk) and we'll let you know how to become a member. If you want to follow us but not sing, then join as a friend and keep in touch that way.

# DONATIONS - YES PLEASE!

We are running two significant and successful programmes in Jersey, and although we are currently run by volunteers, we hope to eventually have a more professional setup. Building some reserves is essential, as well as making sure we have some money in the bank to fund the purchase of any equipment and funding of any special projects. <https://www.justgiving.com/campaign/parkinsingingwithaureole>
